

Hope all are staying healthy and safe.

The safety and well-being of our members and their guests are always and will remain a top priority for us. Due to the unforeseeable on-going impact of the COVID-19 virus, we will suspend all racing and social activities. The Board and its intentions are to resume activities as soon as it is deemed reasonable and prudent to do so.

While social and racing events are cancelled, the club remains open for individual member use. However, DSHS also recommends that we start practicing social distancing. Social distancing involves staying away from other people to avoid catching or spreading illness. It's a fancy term for avoiding crowds and minimizing physical contact. This could mean skipping the handshake, and/or staying at least six feet away from others.

Please remember to keep in mind other people prior to and after you will also be using the facility. Clean and sanitize before you leave, like the person who was there before you.

Regards,

CMYC Board
